This application relies, under 35 U.S.C. § 120, on the earlier filing date of prior application Serial No. 10/629,483, filed on July 29, 2003.

Enclosed please find Form PTO-1449 listing references that were submitted to, and/or cited by, the Office in the prior art application and, therefore, are not required to be provided in the application.

Consideration of this Information Disclosure Statement is respectfully requested, since the information provided herein may be material to the patentability of the subject application as defined in 37 C.F.R. §1.56. The submission of references with this Information Disclosure Statement should not be construed by the Examiner that a

comprehensive search through the prior art was conducted; it is requested that the Examiner make such a comprehensive search.

The above citations do not constitute an admission that the references are relevant or material to the claims; they are cited only as constituting the closest art of which applicant is aware. As such, it is respectfully submitted that the Claims presented for examination define patentable subject matter thereover. Favorable consideration on the merits is respectfully requested.

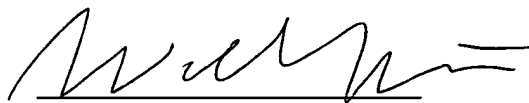

Correspondence and Fees

Pursuant to 37 C.F.R. §1.97(b), since the Information Disclosure Statement is submitted before the mailing of the first Office Action on the merits or within three months of the filing date for the above application, no fees are believed to be necessitated by this Information Disclosure Statement. Should any fee be required, please charge the required fee to Deposit Account No. 03-3839.
